BLANKIET ESTATE Cabernet Sauvignon, Mythicvs, Paradise Hills Vineyard 2023

The 2023 'Mythicvs' Cabernet Sauvignon stands as the crown jewel of Blankiet's portfolio, crafted from the most exceptional lots of Cabernet Sauvignon from the esteemed Paradise Hills Vineyard, and is once again an utterly brilliant wine. It displays striking purity and character, delivering captivating aromas of ripe blackcurrants and black cherries that are accented with layers of graphite, violets, tobacco leaf, florals, and hints of exotic spices. The wine unfolds with incredible precision on the palate, showcasing a full-bodied profile that is both richly textured and beautifully composed. Its refined structure and impeccable balance give it a sense of elegance, while the depth and clarity of flavor carry through a long, detailed finish. While already immensely appealing in its youth, the 2023 Mythicvs is built for longevity, promising even greater complexity and elegance as it matures over the coming decades. Simply Magnificent!
