BLANKIET ESTATE Prince of Hearts Rosé, Paradise Hills Vineyard 2024

The 2024 'Prince of Hearts Rosé' is spectacular as it opens with vibrant aromas of honeydew melon and white peach that immediately draw you in. Subtle hints of white cherries and a delicate lift of orange zest add complexity and freshness, while an undercurrent of crushed stones and a mineral edge. On the palate, it delivers a rich, textured mouthfeel that remains impeccably balanced, offering both weight and finesse, all backed by delicious, sweet melon and red berry fruit. This is a Rosé that manages to be both refreshing and substantial. A beautifully crafted wine that consistently showcases its pedigree year after year.
