**BLANKIET ESTATE Mythicvs 2021  
Paradise Hills Vineyard, Yountville, California**

The 2021 Cabernet Sauvignon Mythicvs Paradise Hills Vineyard shows more textural opulence than the Proprietary Red (also Cabernet Sauvignon) and also a touch more oak imprint, but the two wines are differentiated more by style than quality. Silky, beautifully ripe tannins, frames hints of blue fruit, orange peel, mocha, mint, spice, incense and tobacco. I wouldn't dream of touching a bottle anytime soon. In a word: Unforgettable!
