BLANKIET ESTATE Mythicvs 2021, Paradise Hills Vineyard

The 2021 'Mythicvs' Cabernet Sauvignon needs little introduction. It is the crown jewel from Blankiet and one of the finest wines from the entire region. Composed from selected barrels of Cabernet Sauvignon from the best lots, this wine has it all. It reveals its incredibly perfumed aromatics of ripe dark currants and black cherries, woven with fresh violets, graphite shavings, exotic spices, tobacco, herbs, and crushed gravel that all come together and burst from the glass. It is full-bodied and remarkably polished on the palate, with absolutely outstanding overall balance and structure. This stunning Cabernet goes on to impress with its wonderful concentration, precision, and beautifully pure, ripe dark fruits that continue to captivate the senses as they build up to the gorgeous finish. This is a masterful display of power, elegance, and sheer class that easily rivals the finest wines in the world. The 2021 "Mythicvs" is clearly one of the most compelling wines from the entire vintage, and there is no doubt it should have an incredibly bright future ahead for many years to come.
