BLANKIET ESTATE Prince of Hearts Rosé 2022, Paradise Hills Vineyard

The 2022 'Prince of Hearts Rosé' from Blankiet is nothing short of brilliant. This 100% Merlot Rosé impresses the second the cork is pulled as it releases stunning aromas of white cherries, strawberries, honeydew melon, and hints of lightly sweet toasted oak that all come together brilliantly. The palate is just as impressive as it possesses a gorgeous, richly textured mouthfeel and remarkable overall balance. Beautiful, sweet red fruits and melon flavors emerge from its core and continue to leave a lasting impression on the delicious finish. Year after year, this is one of the most impressive bottles of Rosé wines to be found, and there is no exception in this vintage. It may be the finest vintage yet for the Prince of Hearts Rosé.
