*The 2023 'Prince of Hearts Rosé' is simply gorgeous and one of the finest rosé wines being made, not only in Napa Valley but in the entire world. It offers a vibrant bouquet bursting with juicy notes of watermelon and ripe cherries, complemented by delicate floral, white peach, and citrus undertones that add a charming elegance. This wine showcases a beautifully textured mouthfeel on the palate, providing a luxurious sensation as it glides effortlessly across the tongue. The crisp acidity balances the fruitiness, enhancing its refreshing quality and inviting you to take another sip. Made from 100% Merlot.*
